

Counting Airplanes. A few years ago we started volunteering with the FAA and the air traffic controllers, and everyone seemed to have a good time. We plan to schedule people there again this summer, but if you volunteer you must be 18 years of age or older since you will be sitting near a taxiway by the mobile air traffic control center.

If you volunteer, you will still be scheduled in the Hombebuilt parking area on other days.

Email me if you want to volunteer for some of these shifts.
